

**CLARIFICATION OF SECTION 65, MENTAL HEALTH BILLING
REQUIREMENTS**

All procedure codes, except the following, must have a service provider identification number in block 24K:

Children's Service Codes

Z4107 Day Treatment
Z4186 Child Crisis Support (per diem unit)
Z4187 Child Family& Community Support (per diem unit)
ZNC11 Family Psychoeducation
ZNC16 Child ACT

Adult Service Codes

Z4169 Adult Crisis Support (per diem unit)
Z4188 Psychoeducation

You MUST leave block 24K empty for these codes

Use of Modifier U1

This modifier is only required when the service is directly provided by "Other Qualified Staff". In this instance, the modifier is entered in block 24D with the procedure code and the licensed clinical supervisor's servicing identification number must be placed in block 24K, if the procedure code is not one of those listed above.
